SALES CAREER

We are currently looking to expand our sales team. If you are motivated, enthusiastic and willing to learn and grow then this may be the role for you.

Experience or a license would be an advantage but not necessary as we will be providing ongoing training and mentoring.

As a member of our sales team you can expect excellent remuneration, many additional benefits and excellent support from a well established company.

To discuss a career in sales contact Matt Scarce at Scarce Real Estate on 8332 1022 or 0411 185 205
